**Third Time, Still a Charm...**

How Lucky can a club get? In a Fall show season where nearly every event was rained out, our skies stayed clear and we had yet another near perfect day for *Brits 2011*. September 17th, 2011 brought 136 British car owners to historic Ocean Grove and gave us another record turnout.

The Officers and Board of the PEDC extend our thanks to all who came and made our show a success, and also to our volunteer members who worked so hard to make it happen. We hope to see you all next year for Brits on the Beach 2012. Mark your calendars, the date is September 15<sup>th</sup>, 2012.

## **About the PEDC**

The Positive Earth Driver's Club is an all marque British Car Club centered in New Jersey's Monmouth and Ocean Counties. We have over 100 member families, and offer a full schedule of drives, tech sessions, and a newsletter published 11 times a year.

We meet the first Wednesday of every month (except December) at Woody's Roadside Tavern in Farmingdale, NJ. Meetings begin at 7:30. New and prospective members are always welcome. Dues are just \$15 per year.
